BAJA

Nato nel 2011, Baja è un'icona di comfort dinamico che non teme il passare degli anni. Le sue linee generose e il poggiatesta regolabile manualmente in 7 posizioni lo trasformano in un rifugio personalizzabile. Una forma viva che unisce la solidità di una struttura in legno massello a un'accogliente imbottitura progettata per accompagnare il tempo.

Struttura: fusto in legno massello. **Sospensione seduta:** cinghie elastiche incrociate. **Imbottiture:** cuscini seduta in poliuretano espanso densità 30 Kg/m³ rivestiti con fibra poliestere, cuscini schienale in poliuretano espanso densità 18 Kg/m³ rivestiti con fibra poliestere e con movimento manuale 7 posizioni del poggiatesta, cuscini bracciolo in poliuretano espanso densità 21 Kg/m³ rivestiti con fibra poliestere
Legno: faggio tinto.

EN

Launched in 2011, Baja is an icon of dynamic comfort that stands the test of time. Its generous proportions and a 7-position manual adjustable headrest transform it into a bespoke sanctuary. A living form that blends the structural integrity of solid wood with welcoming upholstery, designed to accompany the passing of time.

Structure: solid wood. **Seat springing:** criss-crossed elastic straps. **Fillings:** seat cushions in 30 Kg/m³ density polyurethane foam, covered with polyester fibre; backrest cushions in 18 Kg/m³ density polyurethane foam, covered with polyester fibre and with manual head-rest movement system 7 positions, arm cushions in 21 Kg/m³ density polyurethane foam, covered with polyester fibre.
Wood: in stained beech wood.

FR

Né en 2011, Baja est une icône de confort dynamique qui défie le passage du temps. Ses lignes généreuses et son appui-tête réglable manuellement sur 7 positions le transforment en un refuge personnalisable. Une forme vivante qui allie la solidité d'une structure en bois massif à un garnissage accueillant, conçu pour accompagner le temps qui passe.

Structure: carcasse en bois massif. **Suspension d'assise:** sangles élastiques entrecroisées. **Rembourrage:** coussins d'assise en mousse polyuréthane densité 30 Kg/m³ garnis de fibre polyester; coussins de dossier en mousse polyuréthane densité 18 Kg/m³ garnis de fibre polyester et avec réglage manuel de la tête 7 positions, coussins accoudoir en mousse polyuréthane densité 21 Kg/m³ garnis de fibre polyester. **Bois:** hêtre teinté.
