Important Information

Photographic techniques do not allow perfect reproduction of color shades, which should therefore be considered as purely indicative.

In this technical catalog the measures are also expressed in "inch". Please note that such measures are rounded figures and that the only measures that are authentic as the original measures are those in "centimeters". The dimensions indicated in the padded products may be subject to slight variations.

Avvertenze Importanti

Le tecniche fotografiche non consentono una perfetta riproduzione delle tonalità di colore, che vanno pertanto considerate come puramente indicative.

Su questo catalogo vengono riportate le misure dei prodotti espresse anche in "inch". Si fa presente che tali misure sono arrotondate e che le uniche misure facenti fede come misure originali sono quelle espresse in "centimetri".

Le dimensioni indicate negli imbottiti possono subire delle leggere variazioni.

Renseignements Importants

Les techniques photographiques ne permettent pas une reproduction parfaite des tons de couleurs, qui sont donc considérés comme indicatifs.

Dans ce catalogue technique, les mesures sont également exprimées en «pouces». Veuillez noter que telles mesures sont arrondis et que les seules mesures valables sont celles en «centimètres». Les dimensions indiquées dans les produits rembourrés peuvent être sujettes à légères variations.

Anniversary Collection

At the origin of timeless design

There is a moment where form is not yet style, where design is guided by **necessity, proportion, and care**. Anniversary Collection returns to that moment.

This collection brings back foundational design pieces, objects that shaped a language and defined a way of living.

Not as memories, but as living forms.

Balanced, generous, precise. Crafted with selected materials, chosen for **comfort and durability**.

Free from trends, anchored in substance. Anniversary Collection is where it all began and where form continues to belong.

C'è un momento in cui la forma non è ancora stile, in cui il progetto è guidato dalla **necessità, dalla proporzione e dalla cura**. Anniversary Collection ritorna a quel momento.

Questa collezione riporta alla luce elementi fondativi del design, oggetti che hanno costruito un linguaggio e definito un modo di abitare.

Non come ricordi, ma come forme vive.

Equilibrata, generosa, precisa. Realizzate con materiali selezionati, scelti per il **comfort e la durata**.

Libera dalle tendenze, ancorata alla sostanza. Anniversary Collection è dove tutto ha avuto inizio ed è dove la forma continua ad appartenere.

Il existe un moment où la forme n'est pas encore un style, où le design est guidé par la **nécessité, la proportion et le soin**. Anniversary Collection revient à ce moment.

Cette collection remet en lumière des pièces fondatrices du design, des objets qui ont façonné un langage et défini une manière d'habiter.

Non comme des souvenirs, mais comme des formes vivantes.

Équilibrées, généreuses, précises. Réalisées avec des matériaux sélectionnés, choisis pour le **confort et la durabilité**.

Libérée des tendances, ancrée dans la substance. Anniversary Collection est là où tout a commencé et là où la forme continue d'appartenir.

Philosophy

A vision shaped by experience

Founded in **Tuscany** in 1976 through the experience of Galeazzo Fedi, the company continues its path within a solid **artisanal tradition**, today carried forward with coherence and continuity by Cristiana Fedi and Matteo Pieri.

The work of a team of highly skilled Borzalino artisans gives shape to upholstered furnishings crafted with care, attention, and manual sensitivity.

Each piece is conceived as a work of haute tailoring, using carefully selected materials chosen for quality, comfort, and durability, expressing an authentically Made in Italy vision.

Fondata in **Toscana** nel 1976 dall'esperienza di Galeazzo Fedi, l'azienda prosegue il proprio percorso all'interno di una solida **tradizione artigianale**, oggi portata avanti con coerenza e continuità da Cristiana Fedi e Matteo Pieri.

Il lavoro di un'équipe di artigiani Borzalino dalla competenza consolidata dà forma ad arredi imbottiti realizzati con attenzione, cura e sensibilità manuale.

Ogni pezzo è concepito come un lavoro di alta sartoria, attraverso materiali selezionati per qualità, comfort e durata, espressione di una visione autenticamente Made in Italy.

Fondée en **Toscane** en 1976 à partir de l'expérience de Galeazzo Fedi, l'entreprise poursuit aujourd'hui son parcours au sein d'une solide **tradition artisanale**, portée avec cohérence et continuité par Cristiana Fedi et Matteo Pieri.

Le travail d'une équipe d'artisans Borzalino hautement qualifiés donne forme à des meubles rembourrés réalisés avec soin, attention et sensibilité manuelle.

Chaque pièce est conçue comme un travail de haute couture, à travers des matériaux sélectionnés pour leur qualité, leur confort et leur durabilité, expression d'une vision authentiquement Made in Italy.
