

Living Divani's modular version of its Floyd-HI sofa

Views of Milan

Highlights of what would have been introduced at Salone.

Visit www.salonemilano.it

Borzalino's Ground coffee tables feature a gold or silver mesh between two glass panels of various colours

Ritzwell's Mo Bridge desk (and stool) combine leather and wood and are available in several finishes

Cattelan Italia's Premier Crystalart Drive table has a base in titanium, graphite and black-embossed lacquered steel. The top and extensions in 12mm glass have artistic decorative printing.

Sanwacompany's Diverse Life with Compact modular kitchen furniture can also be used in other rooms: each single element can be inserted in different positions and used as worktop, bench, dining table or countertop
